PETITION UNDER 37 C.F.R. 1.181(a)

Sir:

Applicant filed a PCT National Phase patent application on September 13, 1999 with an unexecuted Declaration and Power of Attorney. A copy of the unexecuted Declaration and Power of Attorney as well as a copy of the stamped and returned postcards are attached as Exhibit A.

Nevertheless, a Notification of Missing Requirements (PTO Form 905) was not received by this office. Rather on November 9, 1999 the U.S. Patent & Trademark Office issued a Notice of Acceptance (PTO Form 903).

On June 12, 2000 the U.S. Patent & Trademark Office issued PTO Form 90C with a due date of July 12, 2000. A response to that office action is being submitted separately to the examiner. While reviewing the file the undersigned discovered that a Notification of Missing Requirements had not been received. After a telephone conference with the PCT Help Desk, it was decided that this Petition along with the above referenced attachments and the executed Declaration and Power of Attorney (attached as Exhibit B) be submitted.

Serial No.: 09/380,731

Applicant requests that the Notice of Acceptance (PTO Form 903) issued on November 9, 1999 be vacated and a new Notice of Acceptance be issued in view of the above.

Applicant submits that the requirements of 37 C.F.R. § 1.181(a) are met, and respectfully urges the Commissioner to issue a new Notice of Acceptance. If there are any questions regarding this submission, the Patent Office is invited to contact the undersigned attorney of record at the telephone number set forth below.

It is believed that no fees required. If any additional fees and/or extension(s) of time are required for the filing of this paper, applicants expressly petition for such extension(s) and authorize the Commissioner to charge any further fees to Deposit Account 19-0741.

Respectfully submitted,

July 12, 2000
